

Black & More provides services to select clients and seek to develop on-going cooperative partnerships.

We believe in the importance of understanding the environment within which our clients operate and recognise the fundamental importance of communication prior to addressing the technical challenges that our technical expertise equips us for.

At Black & More we tailor our service and project team to meet the unique requirements of your project. We are focussed on professionalism, personal integrity and client satisfaction. Beyond the purely technical aspects of our professional services, we ensure that the solution provided meets your need.

Black & More's select client list includes all levels of government and the private sector.

Black & More have particular experience and expertise in the provision of management services to remote Indigenous communities.

RECENT PROJECTS

AFL Youth Development Academy, Cairns

Client: Cape York AFL

Black and More were engaged as consultants to facilitate planning processes for the proposed Youth Development Academy at 53-75 Buchan St, Portsmith. This entailed

- Stakeholder consultation with Council and DNRW regarding an extended lease over a portion of the subject land
- Preparation of concept layout plans
- General facilities assessment and management (lighting, electrical, drainage etc)
- Preparation of project briefs and liaison with professional consultants (survey, landscape architects, risk assessment)
- Coordination and preparation of a Material Change of Use application seeking approval for the accommodation land use (inconsistent with Cairns Regional Planning Scheme)

Hope Vale Business Precinct Building, Hope Vale

Client: Hope Vale Aboriginal Shire Council

Black & More are currently engaged as the project manager for the design, procurement and construction phase services. This project is being delivered in a partnership with Hope Vale Aboriginal Shire Council to support the aspirations of the community to develop sustainable economic development opportunities.

This project showcases Black & More's specialist project management, capacity building and partnership.

Aurukun Welfare Reform Staff Accommodation (\$3.5M)

Client: Aurukun Shire Council

Black & More is the project manager for this project. The project consists of the design, procurement, construction phase services for the delivery of 10 service agency staff accommodation and 1 parenting centre in Aurukun.

Welfare Reform: Health & Wellbeing (\$6.3M)

Client: Aurukun Shire Council; Hope Vale Aboriginal Shire Council; Indigenous Land Corporation: Bamanga Bubu Ngadimunku

Black & More were engaged by the four organisations to project manage the design, procurement and construction phase services and building life costings of 3 Wellbeing Centres and 9 staff accommodation across the 4 Welfare Reform sites.

Canopy's Edge Residential Development, Smithfield (Stages 1 – 5)

Client: K&V Enterprises

Black & More have been engaged for the engineering design (water, sewerage, stormwater, roads & earthworks) and construction supervision of this residential development. Canopy's Edge comprises of 260 residential and multi unit sites and is situated on the edge of World Heritage listed rainforest.

Torres Strait Major Infrastructure Program Rounds 1, 2, 3 & 4 (\$151M)

Client: Torres Strait Regional Authority

Black & More is the Contracted Program Manager for this award winning multi project infrastructure program in the Islands of the Torres Strait. Projects include water supply, reticulated sewerage, drainage, sub-division and road works. Black & More's commission involves program development, direction and review of project managers, principal's representative duties, consultation and native title facilitation.

This program was recently a recipient of the 2004 Year of the Built Environment Award and is a benchmark project in the delivery of indigenous infrastructure services.

Gab Titui Torres Strait Cultural Centre, Thursday Island (\$3M),

Client: Torres Strait Regional Authority

Black & More managed the delivery of the iconic Gab Titui Cultural Centre on Thursday Island. Gab Titui integrates; a climate controlled art gallery; arts workshop; commercial kitchen; café and performing arts areas.

The project entailed coordination of multiple consultants and building contractors in the production of a unique building of regional importance. Gab Titui was recipient of the 2005 Queensland Tourism Award for Indigenous Projects
